As we are approaching the Spring Season, The Sport International Hockey Academy would like to pass along a friendly reminder, regarding our 5% Early Bird Discount, ending on **Sunday, March 15th at Midnight**. Our Early Bird Discount has always been a popular program, as it ensures that you will secure a slot for our 2026 summer camps and offer you some valuable savings in the process. Our camps are filling up much quicker this year than in the past and we are expecting that many cities will be full in April (currently 4 of our camps are already full and 5 other camps are very close to being full). Please keep in mind that we do limit our registrations to ensure a quality hockey education for all players (ages 6 - 17 yrs.) and to maintain a low instructor/student ratio.
